AN INVITATION

After a four-year hiatus, the Primary Industries Education Foundation Australia (PIEFA) is so pleased to once again host a world-class event in Canberra, that will bring together national and international leaders in Food and Fibre Education, in May 2023.

PIEFA is a not-for-profit company established in collaboration with the Australian Government to enhance learning about primary industries in Australian schools. We aim to achieve this with a range of classroom resources, eLearning courses, and agriculture career pathway opportunities that are targeted to Australia's youth. With the support of our corporate partners and members, PIEFA is the national leader in food and fibre education.

The PIEFA Conference 2023 will explore innovative approaches to primary industries education from the perspectives of teachers and academics, industry representatives, State and Federal policy makers and researchers. This unique combination makes PIEFA Conference 2023 a must-attend event on the primary industries and educational calendar.

The two-day 2023 Conference will be held at The Realm in Canberra on 1st and 2nd May 2023, and we will be exploring the theme **Growing the NextGen of Food and Fibre Education**. The Conference will showcase industry leading keynote speakers, panel and Q&A sessions, workshops, lightning presentations, an exhibition area and networking events – with each element designed to inspire and empower delegates.

PIEFA Conference 2023 provides opportunities for sponsors to leverage their brand, service or product, with unprecedented and direct access to key decision makers and influencers. This prospectus contains a range of ways you can support the PIEFA Conference in 2023, with each opportunity enabling corporate partners and delegates to **connect** in a positive, in-person setting and **discover** the latest **innovations** in the education, industry and government sectors. Please take the time to consider one of our packages, or feel free to contact me to discuss one tailored to your needs

I hope you can join us in 2023 for what will be an exciting conference, packed with the latest in food and fibre education!

LUCIANO MESITI

CEO | PRIMARY INDUSTRIES EDUCATION
FOUNDATION AUSTRALIA (PIEFA)

WHY SPONSOR OR EXHIBIT AT PIEFA CONFERENCE 2023

- **BRAND EXPOSURE:** Your logo promoted on digital and/or print materials
