

BECOME PART OF THE SOLUTION TODAY!

A 2012 survey by PIEFA revealed an alarming disconnect between the nations students and teachers and our food and fibre production sector.

75%

thought cotton was an animal product.

27%

thought yoghurt was a plant product.

40%

believe farming damaged the environment.

43%

did not link science to primary production.

PIEFA's vision is 'Value of Australian food and fibre production is embedded in the national psyche'. You can be a part of this vision by becoming an Associate Member of PIEFA. Annual Associate Membership is available in four levels:
