

## VICTORIAN ASSOCIATION OF AGRICULTURAL AND HORTICULTURAL EDUCATORS

This is an invitation to join the Victorian Association of Agricultural and Horticultural Educators for 2019. The VAAHE represents and supports agriculture and horticulture teachers in Victorian schools. It provides a network for teachers isolated in their schools, an avenue for teachers to share resources and organises workshops and a conference each year. The VAAHE has a website with resources for members, found at [www.vaahe.org.au](http://www.vaahe.org.au).

The VAAHE is made up of agriculture and horticulture teachers supporting each other. Membership in the VAAHE gives you automatic membership in the National Association of Agricultural Educators. Please consider joining us.

Andrew Cosby, President  
Julie Pilgrim-Cayzer, Treasurer  
Shona Janky, Secretary
